

*Some TV!*

[www.NicholasLemonProductions.com](http://www.NicholasLemonProductions.com)

**Some TV! is a fast paced, single camera half hour sketch comedy series for adults that takes the essence of Monty Python, as if imagined by Jim Henson, for the 21st century.**

**Creator and puppeteer Nicholas Lemon utilizes his unique film style to mine a creative world that explores the insanity that is the human condition existing in the modern world.**

**Subversive comedy has long been a tool to spread messages of tolerance, diversity and acceptance. Some TV! aims to tackle issues such as equality, invisible disabilities and race to name a few.**

***Some TV!***

# **Guest Stars!**

**As with The Muppet Show,  
each episode of Some  
TV! features  
a celebrity Guest Star who  
becomes part of the regular  
ensemble cast.**

**This concept gives them a  
chance to get their silly on  
without having to make a  
major time commitment that  
would keep them away from  
other projects.**
